SEARS D8589 SERIES MINING & CONSTRUCTION SEAT

SEARS SEATING

This is the worlds number 1 mining suspension seat.

It is engineered for severe duty use in mining dump trucks, articulated dump trucks, dozers, graders and wheel loaders in the construction industry. It's superior build quality and strength makes it out perform all other brands and features the highest weight carrying rating.

Sears is proud to provide the perfect seating solution for a wide variety of vehicles in the agricultural, construction, material handling and on-highway industries.
